LOGLINE

BROTHERS is a narrative short-form digital series that follows a group of transgender male friends, exploring what it means to go up against traditional societal gender roles.

THE HUFFINGTON POST

SERIES OVERVIEW

BROTHERS was the first narrative series about a group of trans male friends to not only feature the stories of transgender men, but also to cast trans actors in the main roles. The show touches on a few of the many issues that face transgender individuals - healthcare, dating, dysphoria, homophobia, identity and more.

In Season 1, (currently on *Amazon Prime*, *Vimeo On Demand* and *Revy TV*), the series' main character Jack recently started sleeping with a cisgender man after exclusively dating women. His friend Davyn proposed to his long time girlfriend, Amy, with disastrous results. Aiden, the youngest of the group, pre-testosterone and pre-surgery, tried to raise money for his upcoming top surgery, but was thwarted at the last minute. And Max, the eldest, has been on hormones the longest, but hasn't had the financial resources to obtain his top surgery.

BROTHERS

SEASON 1 PRESS & DISTRIBUTION

Since launching our pilot episode in June 2014, we've been featured on *Indiewire*, *Entertainment Tonight Online*, *The Huffington Post*, *The Advocate*, *Jezebel* and *GLAAD*, just to name a few. [\[Click to view full press page.\]](#)

We've screened domestically as well as in **Italy, Australia, Greece** and **Germany**.

After initially offering Season 1 on YouTube, we secured several distribution deals and have migrated the content to paid platforms, where even more people are discovering and responding to the show.

We are currently streaming on *Amazon Prime*, *Vimeo On Demand*, *Revry TV*, and *OutTV* will be featuring Season 1 on their new app as well as on their broadcast channel in 2017.

SEASON 1 CURRENTLY ON

SEASON 1 COMING SOON TO

"You don't know me, but I couldn't not message you. I'm not out to most people on my FB, so didn't feel comfortable commenting on your page. I just watched Brothers on Amazon. I transitioned 10 years ago. I usually hate any type of transmale media. It makes my blood boil.

What you have done, man - do more of it. It's so fucking real and honest. Thank you so much."
- R.C.

BROTHERS

TEAM BIOS

Emmett Jack Lundberg (Creator)'s first feature screenplay advanced to the second round of the *Sundance Screenwriting Lab* and was a Semi-Finalist in the *Zoetrope Screenwriting Contest*. *Finding Masculinity*, an anthology of trans masculine essays that Lundberg co-edited was published by Riverdale Avenue Books in May 2015 and won a silver medal at the *Independent Publisher's Awards* in 2016.

Sheyam Ghieth (Producer) is a Middle Eastern-American queer filmmaker interested in bringing to light underrepresented stories. Born in Egypt, she has lived in Zimbabwe, Sudan, Germany, Italy and Louisiana. Sheyam has worked on feature films including *Still Alice*, *The Bourne Legacy*, *Sex and the City 2*, and *Side Effects*, as well as television shows such as *Gossip Girl*, *Orange Is The New Black*, *The Americans*, *The Path* and Netflix's upcoming *GYPSEY*.

Season 1 Press/Sizzle Reel

It is critical that stories like this be seen by both the people represented and by those who are not in touch with these experiences as it helps to “normalize” what being transgender means. It turns an “other” experience into something relatable.

Ben Hi, wow I just want you guys to know how much I look up to you all. I am ecstatic I actually have a show I can watch that I can RELATE to. You guys are My Heroes!! Keep Up The Good Work!

AH Hi! I just started watching Brothers and it's blowing my mind. Thank you. I'm super early in my own transition (read: not out to my family or the general population), and the series gives me so much hope and makes me feel not alone. Thanks again.

KCJ I'm a big fan of BROTHERS and I wanted to thank you because your character gave me confidence. I'm an FTM too and as he was discovering his bisexuality or homosexuality, I was as well. It was a great support for me. So thank you! Can't wait to see the second season.

PJ I'm a 15 year old trans boy, and an actor, and as both of those things I just wanted to let you know how important the work you guys are doing is. It means the world to me to be able to watch a series and actually connect with the characters on a level that goes this deep. Thank you so much. Thank you. Thank you. Thank you. Keep doing what you're doing.

Joel I really, really, hope you guys do another season. I absolutely love your series. But I suspect nothing will be resolved next week and I suspect everything will be more dangling and unresolved after Episode 8 than after Episode 7, which means you absolutely HAVE to do another season. You've got a great cast. So go get 'em. And here's to another season.

E.A. As a trans guy who has had a really rough time with family and friends, I just want you to know I literally wouldn't be here without your show and the community I've found through it. Thank you.

Just watched [@brothers_series](#) for the second time. So many sad cliff hangers. Can't wait for season two to see how they'll sort things out.

tenearthimps @tenearthimps · Feb 27

On [@brothers_series](#) you get to see different trans actors, how transitions are different, and trans people you cheer for instead of pity
